

**What is JA in a Day (JAIAD)? This is an amazing program offered to K-5 schools.** JA volunteers take over a school on 1 day to teach K-5 students financial literacy, work readiness and entrepreneurship.

Become a teacher for the day! As a volunteer, we ensure you are prepared with all materials including games and activities specific to your class. At the end of the JA Day, the students will have completed five JA lessons and will have earned their JA certificate. Teachers remain in the classroom during the day and JA staff remains onsite for the program to lend assistance.

**Volunteer Commitment:**

- a. Attend a JA one-time training session (can be held at your firm-30 min.)
- b. Review kit materials to prepare before school visit
- c. On campus time: 8:15am – 1:00pm (lunch provided)

**19-20: JA Days held at these campuses:**
