

## Title 1 Teacher Job Listing

Sylvan Learning, the nation's leading supplemental educator, is looking for teachers for its TITLE I program in the Greater New Orleans area. Sylvan Title I positions offer flexible work schedules both during school hours and after school hours. As a part-time Sylvan Instructor, you will be trained on the Sylvan curriculum and given the tools to teach in a small group setting. You won't have to lesson plan or do parent teacher conferences. You do what you love: teach!

Essential duties and responsibilities include the following:

- \* Attend training sessions to learn the Sylvan programs and deliver designated instructional models and strategies in math, reading, and/or writing skills.
- \* Deliver Sylvan provided individualized skill-appropriate lesson plans.
- \* Be able to deliver lesson on iPads.
- \* Ensure supervision of students at all times, including escorting students safely to and from their classroom.
- \* Establish and maintains student forms and files as required by company, local, state, and/or federal agencies.
- \* Other duties may be assigned.

Education/Experience:

Requires a bachelor's degree and teaching certification(current or expired), as required by contract.
