Note: LRTA's position on all survey questions is "Yes." Candidates who answer "No" are in opposition of that priority.
 *= Indicates candidate provided additional comments with their response(s).

CANDIDATE COMMENTS:

ALLEN GUILLORY: I am married to an educator with 29 years experience along with my daughter who has 3 years. I would be supportive of anything dealing with educators.

JACOB LEWIS SHAHEEN: As a worker who has paid into Social Security for years, it's ridiculous to be penalized for choosing education as a career path.
