

Special Needs Tutoring for Children With Disabilities

MARK is a charitable organization, established by engaged parents in response to issues associated with caring for children with special needs. MARK's goal is to increase the opportunities for social and academic success among children with developmental disabilities.

MARK provides individualized one-on-one tutoring that aligns with the curriculum and skills taught during the regular school day to strengthen, reinforce, and accelerate daily learning..

MARK is actively hiring energetic and motivated Special Education Teachers to home school and tutor children with developmental disabilities (Grade 2 - Grade 5) in Ascension and East Baton Rouge Parish.
